How to get certified

Once the policy or endorsement is bound an agent can file for certification with IANA at UIIA.org. Or Cover Whale can file on your behalf, but in order to do so the agent must provide the following:

- Standard Carrier Alpha Code (SCAC). This identifies the transportation company for which the insured is hauling. Please add as a note in the Cover Whale portal
- UIIA Form 5c. You can obtain the form at uiia.org/insurance-agents/uiia-insurance-forms. Please upload this form to the Cover Whale Agent Portal
- Agents must provide their agent code. If you don't have a UIIA agent code and need to obtain it, **please watch this helpful video** from UIIA. Please add the agent code as a note in the Cover Whale Agent Portal

Excluded Classes: mobile homes • household good movers • hazmat haulers • logging, garbage/refuse/scrap • double or triple trailers • sand & gravel • cement • OS/OW loads • residential delivery • owned goods • livery operations • courier operations

Cover Whale writes on admitted and non-admitted A-rated paper. Each risk is automatically matched to the appropriate market. Questions? Email hello@coverwhale.com
