

The most important innovation for truckers since coffee.

Commercial insurance is archaic. Time spent chasing the best policy is costly and frustrating for you and your commercial trucking clients. Cover Whale uses technology, continuous underwriting, and AI-based telematics to make quoting and binding fast, easy, and affordable.

Auto liability guidelines

- Targeting 1-25 power units at bind
- Growth of 2 additional power units per quarter allowed above the original cap of 25 units
- Dash Camera is required for AL - safer driving, driver coaching and help with claims and disputes are major benefits
